

Bringing The Gospel BACK to where it Started from!

2-12 July, 2012

The Vision

The vision of Back to Jerusalem was born few years ago, with the attempt to empower the local church to do evangelism, discipleship and Church planting and to encourage the global body of Christ to come and to help restore the gospel back to where it started from.

Back to Jerusalem is a movement of evangelism, training and church planting. Since 2008, we have been training leaders and pastors and mobilizing the Church to go beyond its walls and reach the unreached around them. Since that time, a movement of evangelism and church planting began to grow in the Holy Land. Our movement is gaining momentum, credibility and leading the efforts of church planting in the Holy Land.

Hundreds of thousands of Bibles, JESUS films and other books and literature have been distributed. Thousands of homes and individuals were visited to share the Gospel. Hundreds of sick people were treated medically and hundreds of hungry families were fed in the Name of Christ.

Today, we see churches are growing in numbers and quality and the sphere of influence of BTJ ministry goes beyond Jerusalem, Nazareth, Haifa, Akko, upper Galilee and more.

Churches are growing and our team now is preparing the church leaders for a church planting movement that will last and cause blessing in the Land our Lord came to dwell in.

How We Do It?

Training:

We train and equip pastors and leaders in the areas of evangelism, Muslim evangelism, leadership development, discipleship, church planting and prayer.

Evangelism:

- Conduct mass evangelistic campaigns
- Door to door visits
- Medical outreaches

- Sports and Music outreaches
- Distribution of the Bible, Jesus film and other materials
- Community service
- Food and clothes distribution
- Helping the homeless and refugees
- Kids outreaches
- Caring for the poor and widows
- Film showings

Church Planting:

As a result of following up the evangelistic contacts, new converts are coming to churches and we see growth in some churches and other new planted ones. At the moment, we are working on planting 10 new churches in 10 cities, towns and villages.

BTJ 2012 Program Overview

The project will begin with 3 days of a training conference in the City of Jerusalem along side with almost all of the Churches in Israel and the West Bank. Then you will be assigned to a city where you will be working in a team of local and international believers for Bible distribution, reaching out to kids and adults, serving the community, feeding the poor, helping the sick and sharing the Good News of Jesus with the lost.

On the last day of the project, you will join a life changing gathering of all participants and local believers on the Mount of Olives in Jerusalem for a massive celebration, communion and commissioning to go out into all the world to preach the Good News of Jesus Christ and make disciples.

You will have ample time to visit and tour the Holy land as well. We have planned 2 full touring days as part of the project. In addition to that, your host church most likely will show you around.

You will be working with local believers, the Living stones and be a blessing and encouragement to them.

A Unique And Different Experience:

You will experience the privilege of ministering, praying and worshiping together with local believers, Arabs and Jews, and others from different cultures and languages.

You will experience the unity of the body of Christ like you've never experienced it before.

You will be a part of a historical spiritual movement in the Holy Land that has never been experienced since the times of Jesus.

You will experience the word of God in a way you never have before in its original locations.
